The Patent Office believes that it has received \$1,618.00 in filing fees

and one multiple dependent claim. On January 14, 1998 we also paid a

specification, claims and drawings. We have paid no other fees in
35 connection with the above application.

On March 13, 1998, after receiving the Official Filing Receipt we
called the Deposit Account Division. In their records they show the above

believe this check was applied to the above application in error. The above
application is not a continuing application of any other.

5 feels is necessary.

A copy of the official filing receipt with the correct amount noted is
enclosed.
